

INVIDIA

I.G.T. WHITE TUSCANY 2017

Vineyard: located in Italy- Cerreto Guidi (FI) - Tuscany – on a hill at a high of 150meter over sea level with prevalent clay soil, with a high number of niches and seashells.

Grapes: Vermentino 70% Colombana 30%

Winemaking technique: manual grape harvesting, fermentation and refining in small vats of cement.

Alcohol content: 13,5 % vol

Sensory profile

Its color is golden straw yellow, his persistent and enveloping flavour of yellow fruit (peach and apricot) and its intense fragrance turn into good acidity and pleasant freshness in the mouth; its taste is fruity, balanced and harmonious.

Invidia is able to transfer into the glass all the great vigor of the vine Trebbiano because we prior chose to wait for harvesting its grapes only when properly ripe and then letting through a slow fermentation enabling this wine to develop and show its own personality which proved to be lively and surprising

Wine and food pairing

We suggest you serve this wine with appetizers, and fish dishes at a temperature of 10 ° / 12 ° C
